Participants are selected through an open, merit-based competition.

All fellows will:

- Complete a part-time internship during their second semester.

Students in their first-year at the time of application will live with host families or in dormitories and will be enrolled in two-year community colleges. All other students will live in dormitories at four-year colleges and universities.

The fellowship is fully funded and provides:

- J-1 Visa Support;
- Round-trip travel from fellow's home city to host institution in the United States;
- Accident and sickness coverage;
- Tuition and mandatory university fees;
- Room and board (housing and meals);
